HONG KONG CAPITAL MARKET

Touchstone Capital Partners, as a unique platform in providing liquidity solutions and financial innovation, has achieved significant recognition with the support of InvestHK. The company recently announced its strategic plans to go public, targeting an Initial Public Offering (IPO) in Hong Kong, while simultaneously pursuing a dual listing in the United Kingdom. These moves mark a pivotal step in Touchstone’s journey to expand its market presence and reinforce its position as a key player in the international financial landscape.

InvestHK, the government body dedicated to attracting and supporting businesses in Hong Kong, has further validated Touchstone’s contributions to the financial ecosystem by officially listing the company on their website :

The official listing highlights Touchstone's innovative platform, which provides comprehensive liquidity solutions to meet the needs of businesses and investors globally. The platform's success reflects its alignment with Hong Kong's strategic goals of fostering innovation and strengthening its financial services sector.

Touchstone Capital Partners' upcoming IPO and dual listing are anticipated to attract significant investor interest, leveraging Hong Kong's robust financial infrastructure and the United Kingdom's global market connectivity. These developments represent a transformative milestone for the company, enhancing its global footprint and solidifying its role in the evolving financial landscape.

Touchstone Token Issue Test

Touchstone Capital Partners is set to issue its first test token in Hong Kong within the next three months as part of the Touchstone Token test launch. This initiative represents a significant step in the company's journey toward leveraging blockchain technology and advancing its innovative financial solutions.
